Winner—B. c, by Libertine—Berna, by Cheviot (trained by C. T. Patterson).
Went to post at 2:30. At post 2 minutes. Start good. Won easily; second driving. Oakingtan was best and prominent throughout. He came away at the end rather easily. Kentucky Rose held on in improved fashion and shows steady improvement. Buttons was badly interfered with on the stretch turn. Decoration finished fast, coming from far back in the last quarter. Lord Turco was going strongly at the end. Franklyn C. closed a gap from a bad break. Muzio was away tangled up and a slow beginner and was much bothered the first half.
Oakingtan, show, 4 to 1. Kentucky Rose, show, 6 to 5. Buttons, show, 1 to 2. Muzio, show, 3 to 5.

33415 SECOND RACE—7-8 Mile. (On Main Track.) \$1,000 added. 3-year-olds and upward. Handicap.

Winner—Blk. c, by Victory—Thanks (trained by H. B. Durham).
Went to post at 3:00. At post 2 minutes. Start good. Won easily; second the same. Operator is in rare form and was much the best. He was pocketed under a choking pull to the stretch, where he was jostled and nearly went down, essayed an almost impossible task, but with clear sailing he finished like a whirlwind. Wealth, steadily improving, waited on the pacemaker, moved to the front on the turn and looked all over a winner and was unprepared for Operator's challenge at the end. Argregor displayed a fine turn of speed in running close up from the start and finished fast. Grand Opera went well throughout, but lacked brilliancy, as he beat the gate but hadn't speed enough to take advantage of it. Handicapper was fast for six furlongs. Homestead, away badly, trailed the bunch throughout and was easing up at the end.
Operator, show, 1 to 2. Wealth, show, evens. Argregor, show, 7 to 5. Grand Opera, show, 3 to 5. Belle of Troy, show, 1 to 2.

Time, 1:01.
Winner—B. f, by Ben Brush—Lady Invercauld (trained by J. Rowe).
Went to post at 3:30. At post 4 minutes. Start good. Won driving; second the same. Duster, on the outside, and Gold Money, on the inside, drew out together when straightened for the wire, and, both running true and game, the Keene filly, evidently a good one, was given the verdict. Ada Nay found the distance short and was closing very strong at the end. Mamari led the field the first three furlongs, but not in her usual decisive fashion and, although tiring badly, she kept going to the end. Mary Street made a strong bid a furlong out and was easing up at the end.
Scratched—33305 Anna Daly, 110; 33103 Miladi Love, 110.

Winner—B. f, by Hastings—Royal Gun (trained by J. E. Madden).
Went to post at 4:00. At post 1 minute. Start good. Won in a canter; second easily. Gunfire immediately took a long and winning lead and was only cantering the last half to beat Par Excellence, which closed very fast and gamely and ran the best race of her career. Torchlight, evidently short, trailed the field and moved up fast on the stretch turn, but tired at the end. She should improve greatly. Adelaide Prince failed to stay and had hardly recovered from her recent long race on the long grass course and can do better.
Scratched—33356 Blanche Herman, 111; 32537 Barouche, 111.

Winner—Br. g, by Eberlee—Battle Belle (trained by J. Allen).

Went to post at 4:30. At post 1 minute. Start good. Won driving; second easily. Jim Megibben, poorly ridden, went very wide on all turns, losing a full sixteenth of a mile. He recovered ground in each instance and held a safe lead throughout. He outclassed the field. Inspector Stevens was a good horse with plenty left at the end. Highbee quit after a mile and a half. Headland was outclassed.

Winner—B. h, by Sir Dixon—Phalia (trained by W. Hueston).
Went to post at 5:00. At post 1 minute. Start good. Won easily; second driving. Philippine was nearly left, but his speed was reserved for the final quarter. He made good with a sensational rush and was much the best. Mosketto possibly made his run too early, was otherwise successfully handled and was an improved horse at the distance. Carrier Pigeon, which had trailed the first part, came strong at the end. Bessie McCarthy ran an improved race. Shandonfield was very badly handled and was easily third best. Alsike tried to a walk after a brief lead at the end of the first mile. The pacemakers, one after another, stopped badly.
Philippine, show, 3 to 5. Mosketto, show, evens. Carrier Pigeon, show, 2 to 1. Bessie McCarthy, show, evens.

WASHINGTON PARK RACING.

Lucien Appleby showed himself a colt of good class yesterday by giving away much weight to everything in the fourth race and winning in a sensational finish by a head from Frangible, which beat Conundrum the same distance for second place. Buchanan laid along last with him for the first six and a half furlongs and then moved up fast turning into the stretch, about a length and a half behind the leader. Down the final quarter, Lucien Appleby, when called upon, moved up fast and great gameness in the stirring last six-struggle with Frangible. Buchanan appeared to purposely draw the finish a little fine and Lucien Appleby could probably have won by a larger margin. Conundrum finished strongly and ran by far the best race of his career. Peat ran to his best form, but was running against horses of

higher class than he has been meeting heretofore. Brulare, as usual, showed much speed for seven furlongs, but lacks heart and tired perceptibly when the last eighth struggle came up.

Evelyn Byrd took the day's opener in an exciting drive by a neck from Semicolon, which beat Guy H. a length for second place. Evelyn Byrd revelled in the going and ran to her best form. King Barley-corn showed early speed, but fell away beaten when turning for home.

With Federal scratched, Jack Rattlin appeared to have the second race, a dash of six furlongs, at his mercy. He was made an even money favorite and won as the betting indicated. He finished well in hand, two and a half lengths before Fake, which beat Wellesley ten for second place. Fake ran a good race and bears watching from now on. Botany showed a little early speed.

Of the ten two-year-olds that faced the barrier in the third race, Eva Russell proved the best, winning in a desperate drive by a head from Mirance, with Maghoni a good third. Eva Russell showed the most speed and stood a long, hard drive with gameness. Glendon began slowly, but moved up fast when turning for home and finished strongly. Claude showed much early speed.

Jessie Jarboe played with the field in the fifth race, leading all the way and winning in a canter by four lengths from Vincennes, which beat Lennep five for second place. The last named tired fast when the pinch came. Jaubert was taken next to the inside rail in the worst going while coming down the last quarter, which anchored him.

Cherished took the last race in easy fashion by three lengths from Lee King, which beat Digby Bell five for second place. Digby Bell was the victim of an ill judged ride. Waldo got him all tangled up at the first turn and then rushed him too fast down the backstretch. This killed off whatever chances the horse had of winning, and he tired fast when challenged by Cherished in the last eighth. Alene Abbott and Hylo showed well for six furlongs.

The usual large crowd was present despite the fact that it rained almost continually all afternoon. The track at the best will be heavy and holding today.

LOCAL TURF GOSSIP.

R. A. Smith, acting for G. A. Davis, bid up Cherished, which won the closing race yesterday, to \$900, at which price Albert Simons, her owner, let her go. Simons claimed Marshal Neil, which belonged to Mr. Davis, out of a selling race several days ago for \$1,580.

Jockey Coburn did not have a mount yesterday. He was engaged to have the leg up on four horses, but the heavy condition of the track caused the owners to scratch them out.

Jockey Buchanan, who was fined \$50 and set down for three days by the starter on Tuesday, was permitted to ride out his engagements yesterday.

Jockey Howell arrived yesterday from Fort Erie. He will do the riding for W. M. Rogers, who got in from St. Louis yesterday with Fitzkanet, Colonial Girl, Dean Swift, Brixton and others.

Botany, which was a starter in the second race, caused a fifteen minutes delay at the post by crazy actions. From the stand it seemed as if Starter Dwyer missed two good opportunities to let them go. But Mr. Dwyer stated that Botany crossed the field every time he raised the barrier.

Evelyn Byrd, 5 to 1,

and won easily, was the "cinch" good thing wired every one of my clients yesterday, and, of course, they all cleaned up on it; but then that is nothing unusual with Ernest's clients, because they are always getting the money. Besides working early and late myself at the track I have got in my employ two of the best track experts in the business, and it is to one of them that I owe yesterday's winner. On my form and figures I could not, and neither was any of the Chicago handicappers (according to their sheets), able to get "Evelyn Byrd" past the wire first, but one of my track experts saw a little quiet work in the mud early in the week by this one, and made such a convincing report that after verifying it by personal talks with "those connected" that my clients profited accordingly. This should prove to every one following racing that real genuine inside stable information cashes your tickets. You might not always win, but the chances of loss are reduced to a minimum, and my clients for years have found my tips not only a source of pleasure but profit. The proof of my success is my years of continuous prosperity. I have clients on my list who have been with me uninterruptedly since 1898, playing my advice, east, west and south. Monday of this week I wired "Sigmund," which won at 15 to 1. Tuesday every client received "Wild Pirate," which was backed from 25 to 1 to 10 to 1 and finished third. Read the Racing Form's chart and you will see that "Wild Pirate" was only beaten two noses by a "fluke." With this kind of information on tap, and my fair method of doing business it is surprising that I not only retain my subscribers year in and year out, but make new ones daily? I pay good money for my information; send all telegrams by my special code, in order to protect my stable friends; AM NOT AN IMITATOR, BUT POSITIVELY THE ORIGINATOR of the

PAY AFTER YOU WIN

idea. Instead of money in advance, bet \$2 for me on the horse I wire you. Remit honestly and promptly, and I'll make up some of your past losses for you and put you on the winning side in short order. Enclose 25 cents with your application, only as a deposit and guarantee that you will accept telegrams. I will then immediately mail you my new July code. Address,

THURSDAY AT WASHINGTON PARK 12 TO 20 TO 1 EXTRA SPECIAL GOOD THING.

This one is a mud lark of high degree, will have a good jockey up and barring accident should win in a gallop. We will name two other good things in our wire and on our Form Letter. Both will be as good as 4 to 1. They like the track and should win in a canter.

FRIDAY, JULY 4TH, WE HAVE TWO LONG SHOTS ON TAP.

The odds on one should be 8 to 1, on the other not less than 25 to 1. We consider this one as good as was Luke Ward, 60 to 1; Brownie Anderson, 25 to 1, and Moabina, 50 to 1, all won, and sent to all subscribers of the Race Track Information Bureau. Oldest, safest, most reliable turf bureau in the west. What we advertise is absolutely reliable and correct.
